

Reminder: Enhance Your Charitable Gift Through NJM's Matching Program

Corporate Giving would like to remind employees that the NJM Matching Program remains available during the COVID-19 pandemic. Donations to most disaster relief organizations and social service agencies are matching eligible. As always, employees who are making charitable donations are encouraged to utilize the program as a means of participating in NJM's charitable giving.

Matching for individual donations starts at \$25.00 and donations made to 501(c)(3) non-profit organizations that are not primarily religious, political, or an advocacy group qualify.

Visit NJM EmployeeNet to access the Matching Program application, guidelines, and FAQs.
