

BENEFITS

Get in a Mobile State of Mind: Benefits Information at your Fingertips

You can have access to your NJM Benefits information whenever and wherever you need it. Make things a little more convenient and get the flexibility and functionality for your lifestyle, all in the palm of your hand.

Through partnerships with NJM's Benefits vendors listed below, you can access important financial, healthcare, dental, and employee assistance support at the touch of your fingertips through each vendor's mobile app:

Horizon BCBS of New Jersey

- Doctor & Hospital Finder
- Check claims status
- View your mobile ID card
- Telemedicine App

Delta Dental of New Jersey

- Search for a Dentist
- View coverage and claims information
- View your mobile ID card

Carebridge EAP

- Mindfulness podcasts & Educational Webinars
- Child care and Eldercare support
- Life management resources

WageWorks

- Snap and submit photos of receipts
- File claims, view transactions, check account balances
- Sign up for email text alerts

Vanguard

- Access your balance, investment information, and transaction history
- Move money between investment options
- Vanguard's latest news, podcasts, and insights

For more details on how to set up mobile access and to learn more about all the mobile apps can offer, click on the vendor link below:
