

View our New Recipe NJM Book - "Best Bites of Summer!"

Our new NJM employee cookbook, "Best Bites of Summer," is now available for viewing! Thank you to all employees who submitted recipes – we received a wonderful response, and compiled all of the entries into [this cookbook](#), published in a PDF format.

The cookbook is divided into four sections: Main Dishes; Sauces, Sides and Snacks; Desserts; and Summertime Sips (non-alcoholic beverages).

Tips for Viewing

After you open the cookbook PDF from your laptop, hover your mouse along the bottom of the screen for sizing options by zooming in or out. Since the cookbook contains over 70 pages, it's not intended to be printed. Instead, you can read and prepare the recipes directly from your screen!

If you wish to access the cookbook from your own computer, tablet or smartphone, please copy this link: https://www.njm.com/-/media/njm/retiree/pdfs/home/2020/Resized_NJM_Employee_Summer_Recipe_Book.pdf and forward it to your home email address. Then you will have access to the cookbook wherever you go. You can even open it from your phone while you're cooking or while at the store so you don't forget any ingredients!

We hope you and your families will take some time to prepare and enjoy these recipes together this summer. Bon Appétit!
