

Fostering Diversity & Inclusion at NJM

At NJM, we believe in fostering an environment where all employees feel safe, valued and respected. Following Mitch's message last week, he, in conjunction with the Human Resources Department, are in the process of developing a forum to allow employees to continue the conversation on racism and social injustice.

The forum is intended to provide an opportunity for employees to share their feelings, thoughts, concerns, and importantly, ideas for advancing positive change at NJM in furtherance of diversity and an inclusive workplace. This forum will be open to any employee who is interested in participating. We will provide details regarding how to sign up soon.
